~~The Advantages of Toll~~

The Advantages of all the Bridges, The President states, are essential, as there are Bridge gates where toll is collected throughout the day.

As regards the question of reducing the strength of the establishment to be made permanent, the President observes that the reduced cannot be effected as the gates where toll is collected are localised beyond the Sugar Town Board and that the question of abolishing of toll on Sugarcane Carts in the Sugar Town Board is yet under orders

In the circumstances stated, the recommends that the existing staff may be made permanent with effect from 1st July 1939.

The Toll Establishment consisting of the undermentioned staff was entertained with effect from 1-7-1939 with the object of working the tolls under the Municipal Agency in accordance with Govt No L 4447-9/ 1 dated 7/8th November 1939 as final orders had not been passed by Government for the levy of toll on sugar-cane carts in the Sugar Town Board Area Separate sanction of Government for

continuing the Toll-Establishment during the year 1940-41 was not obtained in view of the Government Order No L 6761-71/Ml.131-39-3 dated 1st February 1940 directing that the tolls in the State should be worked Amani under the Municipal Agency.

The Municipal Council, Mandya, have at their meeting held on 28-9-41 resolved to treat the Toll Establishment consisting of the marginally noted staff permanent with effect from 1-7-39, with the object of giving the employees the benefit of permanent service etc , The President, Muhicipal Council, Mandya, while submitting the above resolution has recommended (vide report No M C 212/40-41 dated 13-12-41) the permanent retention of the Toll Establishment The Municipal Council should have obtained sanction for the continuance of the establishment from time to time They appear to have continued the establishment on the strength of the Government Order sanctioning the working of the tolls departmentally. This is however incorrect and the President, Municipal Council, has been instructed to avoid irregularities of the kind in future.

1 Toll Mutsaddi on Rs 15/- per ensem(SUPERVISOR)
4 Toll Mutsaddis on Rs 12/- each per mensem
7 Toll-Peons on Rs 10/- each per mensem

In the foregoing circumstances I request you kindly to obtain the orders of Government for treating the Toll Establishment consisting of the above mentioned staff as permanent with effect from 1-7-1939

A copy of the resolution of the Municipal Council together with the proposition statement is also enclosed herewith for kind information.

-O-

With reference to your Memo No.A.5.C.30/41-42 dated 12th December 1941, calling for certain particulars re the Toll Establishment, I have the honor to state that as the question of levy of toll on sugar-cane carts in Sugar Town Board area was under correspondence and final orders had not been passed The Deputy Commissioner, Mysore District, issued instructions that pending final orders of Government in the matter the toll may be worked amani. Accordingly sanction of Government was obtained for the marginally noted staff in Order No.L.4447-9/ M1.30-39-8 dated 7/8th November 1939(copy enclosed).

For July 39	1 Toll Mutsaddi on Rs.15/- 6 Toll Mutsaddis on Rs.12/- each P.M. 7 Toll Peons on Rs.10/- each P.M.
For August 39	1 Toll Mutsaddi on Rs.15/- 6 Toll Mutsaddis on Rs.12/- each P.M. 9 Toll Peons on Rs.10/- each P.M.
For Septr. 1939	1 Toll Mutsaddi on Rs.15/- 4 Toll Mutsaddis on Rs.12/- each P.M. 7 Toll Mutsaddi Peons on Rs.10/- each P.M.

As regards the variation in the staff, I beg to state that as the exact staff required for the collection of toll could not be gauged at the outset, the staff as mentioned in the Government Order referred to above were entertained and from the working of the toll for two months it was found that the 2 Mutsaddis who were entertained in July 1939 were found superfluous and from September 1939 onwards the marginally noted staff has been continued dispensing with the services of 2 mutsaddis The present staif is working from 1st July 1939.
